MOHAMMED ALSALEH

Homs, Syria | +963-937-954785 | eng.mohamad110@gmail.com

FRONTEND DEVELOPER

Highly skilled and experienced Frontend Developer with a strong proficiency in HTML, CSS, JavaScript, Bootstrap, Tailwind, TypeScript , React JS, Next JS. Seeking to leverage my expertise in web development best practices and design principles to contribute to a dynamic team and deliver high-quality, user-friendly web interfaces.

STRENGTHS AND EXPERTISE

- HTML, CSS, JavaScript , ES6 , TypeScript , Bootstrap , Tailwind , React js , Redux , webpack , Git , Github , php , mysql , Laravel , Wordpress.
- Experience in building responsive and user-friendly web interfaces , and I have knowledge in figma (UI/UX) design.
- Ability to work effectively in a team environment and meet deadlines.

PROFESSIONAL EXPERIENCE

Focal X Agency   **February 2024 – Present**

Full Stack Developer

- Spearheaded the development of full-stack solutions for various projects, leveraging PHP, MySQL, Laravel, React.js, Next.js, and TypeScript to deliver high-quality, feature-rich applications.

- Implemented server-side rendered applications with Next.js, enhancing performance and scalability.

- Contributed to the Fullstack TypeScript Next.js Boilerplate, showcasing my ability to create modular, customizable, and highly performant web applications.

MMN Company   **October 2023 – January 2024**

Frontend Developer

- Developed dynamic, user-friendly interfaces for web applications using React.js and TypeScript, focusing on responsive design and performance optimization.

- Collaborated closely with the team to align development processes with business goals, resulting in a 30% increase in sales team productivity and a 20% increase in customer retention.

- Implemented security and data protection solutions, ensuring compliance with industry standards and regulations.
